

Dear Friend & Associate:

We are very proud to announce that Wormald Masse Keen Lopinski LLP for the 3<sup>rd</sup> year is the title sponsor for the annual Peter Saracino 2009 Alzheimer Golf Classic to take place on Wednesday, June 3<sup>rd</sup>, 2009. Several members of the families of our firm have been affected by this disease and are committed to helping the association accomplish its goals.

The Alzheimer Society is the only organization in the Region that provides and installs any necessary aids and assistive devices that will facilitate optimum function, at no charge. There are over 7,700 people in the Region who are experiencing a progressive dementia, the most common of which is Alzheimer's disease. All funds raised stay in the Niagara Region to continue bridging the gap in the programs and services that are vitally needed by these individuals.

In the past 18 years this golf classic has raised in excess of \$500,000. Last year the tournament raised over \$37,000 for the Client Services Program that provides hope and enhances the quality of life for those affected with Alzheimer Disease and related dementias and their families. Our goal for this year is to ensure that we are able to at least match last years.

We are asking for your help to achieve this goal. This can be accomplished by contributing as a sponsor, prize donation or participating as an individual golfer, part of a group or as a group of four.

It is both your participation and your donations that will make this event a success.

We appreciate your consideration of this request and look forward to your positive response.
